Sir:

The application papers for the above-identified application were originally filed on July 25, 2003, and the application was assigned Application No. 10/626,695.

A Notice of Incomplete Nonprovisional Application issued on October 20, 2004. The Notice indicates that the specification is missing and that the application was filed without the oath or declaration. A copy of the Notice is attached hereto.

Applicants attach hereto a copy of the date-stamped postcard as evidence that the specification (12 pages) and the Declaration and Power of Attorney were received by the U.S. Patent and Trademark Office

on July 25, 2003, as part of the complete application. Applicants submit that the specification and Declaration and Power of Attorney were separated from the application papers after receipt by the U.S. Patent and Trademark Office on July 25, 2003.

Applicants further submit that since the complete application (including the specification) was filed on July 25, 2003, a newly executed Declaration is not required.

However, in order to be responsive to the Notice, attached hereto is a copy of the specification as originally filed on July 25, 2003. A copy of the original Declaration is also attached. The U.S. Patent and Trademark Office is respectfully requested to enter the attached application papers into the application file.

Applicants submit that since the specification and Declaration and Power of Attorney were misplaced by the U.S. Patent and Trademark Office after receipt thereof on July 25, 2003, no fee is required.

The U.S. Patent and Trademark Office is requested to issue an Official Filing Receipt showing a filing date of July 25, 2003.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
